## ULTIMATE ENZYMES®

Enzymes are responsible for such important bodily functions as digestion, building bones and tissues, and aiding in detoxification. Many allergies stem from the lack of certain enzymes. Replenish your enzyme supply with Ultimate Enzymes®. The inability to digest proteins and fats can cause poor absorption of nutrients. Ultimate Enzymes® is formulated to support all aspects of digestion, including absorption. It provides significant support for healthy digestive function.

- Supports and maintains digestive health
- Contains a proprietary enzyme complex\*
