YOUNGevity™

Bloomin Minerals™

SOIL REVITALIZER

A humate soil conditioner & plant food containing up to 77 organically bound earth elements.

Item# 60201 - 2.5 lbs

Item# 60401 - 4.5 lbs

Item# 64001 - 40 lbs

- Promotes faster growth
- Great for your favorite shrubs and house plants
- Helps produce larger and more colorful flowers and roses

BLOOMIN MINERALS™

Composed of prehistoric plant material containing minerals no longer found in some farm and range soils, this is a 100% natural humate soil conditioner, no binders or fillers are added. Contains beneficial non-plant food ingredients: 45% humic acids derived from humic shale origin.

- Excellent for the home gardener
- Helps keep your lawn vibrant
- Great for fruit trees, too

Item# 48015 - 5 lbs

HYDROKLEAN™

General stain remover, carpet spotter, and all purpose cleaner: 1/8 scoop per 16 oz water, mix well. For carpets, upholstery, fabrics, floor and water-washable household surfaces. Apply to surface and let stand for 5-30 minutes, scrub with a sponge or blot with a towel or mop (depending on surface). Rinse thoroughly and allow to dry.

Item# 43210 - 32 oz

HYDROWASH™ LAUNDRY DETERGENT™

An environmentally-safe product that performs efficiently and powerfully without damaging our ecology. HydroWash™ is 100% phosphate-free, completely biodegradable, perfume and dye-free with an organic fragrance. HydroWash™ also does not use bleach or optical brighteners. It is septic-tank safe, not tested on animals and contains no animal by-products. This product is also recommended for baby clothes and those with sensitive skin.
