be why the Eye and Throat Stabilizer is one of our most popular Invision products.

EYE AND THROAT STABILIZER™

This terrific Invision™ product is produced to help firm and tighten the skin around your eyes and throat to reduce the appearance of fine lines. Since your skin is not immune from the ravages of the elements and time, Invision™ Eye and Throat Stabilizer is designed with this in mind. Because you would expect to pay a lot more for similar products in some of your favorite department stores, this may

Item# 40807 - 8 oz

HAND & BODY LOTION

This is scientifically formulated to nourish your skin and is extracted from prehistoric plant deposits, which contain 7 major minerals and 65 trace minerals in colloidal form. Invision's™ Hand and Body Lotion penetrates and absorbs quickly to help promote soft, smooth and moist skin, without that greasy feeling. When used regularly, it helps relieve second and third layer dryness and helps protect against wind chap, heat and cold weather damage. Invision's™ Hand and Body Lotion can be used on all skin areas, including the face, as an effective moisturizer.
